MEMORANDUM

To: Rising Second Year Students

From: Paul M. Kurtz

Re: 2007-8 Curriculum

Date: April 14, 2005

As promised, attached you will find a tentative listing of the courses which I expect we will offer in 2007-8, your third year at the Law School. Some caveats are in order:

----Most importantly, understand that this is a plan, not a contract. Things happen in life which cannot be controlled. However, this is what I presently am planning for 2007-8.

---- The attached is a listing of the courses which I intend to be taught by permanent members of the faculty. This list does not include clinical courses and courses taught by adjuncts, visitors, etc. While staffing by adjuncts is necessarily a more contingent situation than staffing by permanent faculty, I am fairly certain we will be offering a full array of courses taught by adjuncts and visitors, including:

Advanced Immigration
Appellate Practice
Bankruptcy
Civil Externships
Corporate Tax
Criminal Defense Clinic
Document Drafting
Entertainment Law
Environmental Practicum
Estate Tax Planning
Family Violence Clinic
Immigration
Military Law
Partnership Tax
Patent Law
Prosecutorial Clinic
Public Interest Practicum
Sexual Orientation Law
Sports Law
Trial Practice
Use of Military Force
Visual Arts & the Law

----On the attached list you will see several entries of “TBD”—which stands for To Be Determined. Each of these courses (one each for Professors Appel, Brown, Hashimoto, Love, Ponsoldt, Rodrigues & Solomon) will be a two or three credit course. While the precise identity of these courses has not yet been determined, they likely will be within the area of the individual professor’s general teaching interests. They might be seminars or courses.
