1859

CLUB

Georgia Law is pleased to introduce the 1859 Club, an affordable giving program for recent graduates. As a recent graduate, we know that you have financial obligations, and your paycheck may not be as large as you hope it will be in a few more years. Therefore, we are requesting just a monthly contribution of \$18.59. Why \$18.59? Good question. It was the year Georgia Law was founded. For your convenience, we can arrange to have this amount automatically drafted each month from your checking account or charged to one of your credit cards.

Alumni who have graduated within the last four years are asked to enroll now by completing the 1859 enrollment form.

Georgia Law alumni are making a difference in the world today. Help us to ensure that tomorrow's alumni will have the same opportunities that were available to you. Support excellence in legal education at your alma mater by becoming a member of the 1859 Club today.

HOW DO YOU SPEND  
\$18.59 A MONTH?

- dry cleaning?
- lattes and mochas?
- pizza delivery?
- cable bill?

**Supporting Georgia Law is more affordable than ever with the 1859 Club. By enrolling in the 1859 Club, you preauthorize your bank or credit card company to contribute \$18.59 each month to support Georgia Law. Join this simple giving plan, and watch the difference it makes to Georgia Law.**
