STRATEGIC PLAN 2016-2017

Alexander Campbell King Law Library
University of Georgia School of Law

MISSION - Actively support and advance the goals of the University of Georgia School of Law by providing exceptional knowledge services, resources and expertise

VISION - To be the information source of first choice for the law school community

VALUES - In support of our mission, we value:

- Flexibility, diversity and innovation
- Access to legal information without barriers
- Supportive learning environments
- Service, responsiveness and reliability
- Collaborative and cooperative relationships
- Professional standards of librarianship

GOALS

Services

- Highlight practice ready skills within our legal research instruction
- Assess the efficacy of current library services
- Offer distance and online legal research education
- Increase awareness and use of existing library services
- Provide professional analysis for faculty and administrative research reports

Resources

- Enhance our physical space to facilitate collaboration
- Encourage the exploration of legal technology
- Select and retain resources to maximize utility, access, and preservation
- Improve the discoverability and functionality of information resources
- Promote library resources that support law school initiatives

Expertise

- Explore innovative and effective instruction methodology
- Develop expertise in distance and online education
- Increase our knowledge of emerging legal technology trends
- Strengthen the library's emergency preparedness and security procedures
