2020 has been a historic year, filled with challenge and, in some cases, tragedy. For the University of Georgia School of Law, we supported each other through the tragedies and confronted the challenges. We reaffirmed our commitment to provide first-rate legal training for our students, and our law school community – including our students, faculty, staff and you (our graduates and friends) – proved to be a true source of strength. Grit, resilience and commitment describe our collective efforts.

In that spirit, I share with you the 2020 Dean’s Report (virtually this year) to demonstrate our collective commitment as a Law Dawg family.

Your continued support is an important part of the School of Law’s success. Please
