COVID-19 Protocol for UGA Law Students

Student with COVID-19 Symptoms

Must Alert Professors,
Dr. Graham & Leave
UGA Campus

Symptoms Include:
fever (100.4 or >), chills, cough, shortness of
breath, muscle aches, headache, loss of smell
or taste, fatigue, sore throat, runny nose,
nausea, vomiting and diarrhea

NOTE: Your symptoms should not be related to existing medical conditions, specific activity, or other known causes. Pay attention to symptoms like a cough that are new or worsening, recent decreases in sense of smell or taste, new muscle aches, or new onset of fatigue.

If Vaccinated:
Symptoms may present as
much milder, such as minor
seasonal allergies

Schedule a Test

Contact the University Health Center, your
healthcare provider or visit Georgia DPH
for testing locations:
<https://dph.georgia.gov/covidtesting>

Negative Test

Return to Campus
Healthcare provider decides
return date

Positive Test

Must Log
Using
DawgCheck

Return to Campus

Only if all are true:

- after 10 days from onset of symptoms
- no fever for 24 hours (without fever-reducing medication)
- symptoms are improved

Isolate at Home
10 days from onset of symptoms and contact a healthcare provider as needed

Calculate days:
<https://dawgcheck.uga.edu/covid19-calculator/>

Student **Exposed** to COVID-19 Positive Individual

The CDC defines presumptive exposure as being within six feet of someone for at least 15 cumulative minutes within 24 hours (whether or not wearing a mask)
