Dear Members of the Law School Community,

Commencement is a celebratory occasion. This year's celebration is a bittersweet one as tomorrow looks very different than originally planned. Despite the pandemic and accompanying challenges, nothing detracts from our graduates' achievements in which all of you have shared and played a role. I hope you will enjoy taking some time to celebrate this accomplishment of our resilient graduates.

As part of that celebration, I share with you two items:

- A congratulatory video for our graduates (thanks to the many of you who participated in its creation and especially to Jim Henneberger for his masterful video work). As content can sometimes be viewed more easily on different platforms, we are including two links below. And as always, avoid streaming multiple things at one time to help with the speed of streaming.
 - Watch [HERE](#) via Vimeo
 - Watch [HERE](#) via YouTube
- The website that will host the virtual commencement video link beginning at 10am tomorrow:
 - http://www.law.uga.edu/2020_commencement

My thanks to each of you as we have navigated this trying time - and special thanks to Lona Panter for running point on the virtual commencement video.

Stay strong,

PBR
