21st Annual Red Clay Conference
University of Georgia School of Law – Dean Rusk Hall
Friday, March 20th 2009

Does Going Green Equal Making Green?

Goal: To increase public awareness of environmental issues of regional, national, and international significance through a series of educational presentations and open forum discussions. A full spectrum of views from the private legal sector, the corporate/business sector, the government, and public interest groups will be represented.

Presented by: The Environmental Law Association

Who Should Attend: Attorneys, Professors, Students, and Members of all communities
