In 2021, the University of Georgia School of Law remained committed to providing first-rate legal training to our students. Among our successes are:

- A 95+% Ultimate Bar Passage Rate
- #8 ranking for federal clerkships
- Continued recognition as one of the best returns on investment in legal education in the nation
- 100% of military veterans and first-generation college graduates currently enrolled receive scholarship aid
- Acknowledgement as the highest ranked Georgia law school in the most recent *U.S. News* rankings

Over the course of a second historic year filled with highs and lows, the School of Law relied heavily on the strength of our people – our students, faculty and staff, and our graduates and friends. In that spirit, I share with you the 2021 Dean's Report, which offers a glimpse into the power of the Law Dawg community.

Your continued support is an important part of the School of Law's success. Please consider [making a gift](#) before December 31 to be counted in the 2021 tax year.
