Become a Sustainer

One of the law school’s highest fundraising priorities is the growth of the Law School Fund. The majority of the fund supports student scholarships, but it also supports student groups, faculty projects and alumni/alumnae activities.

THE LAW SCHOOL FUND IS OUR LARGEST SINGLE SOURCE OF SCHOLARSHIPS DOLLARS.

Sustainers make convenient, ongoing contributions that are automatically drafted each month. It’s an easy and efficient way to support Georgia Law through secure payments from your credit card, debit card or bank account.

BECOME A SUSTAINER VIA:

• Credit or Debit Card: Set up your monthly contribution online right now at www.law.uga.edu/gifts-advocate
