

# COVID-19 Protocol for UGA Employees

## Employee with COVID-19 Symptoms

Must Alert Supervisor & Leave UGA Campus

Schedule a Test

Contact your healthcare provider or visit Georgia DPH for testing locations: <https://dph.georgia.gov/covidtesting>.

Symptoms Include:  
fever (100.4 or >), chills, cough, shortness of breath, muscle aches, headache, loss of smell or taste, fatigue, sore throat, runny nose, nausea, vomiting and diarrhea

*NOTE: Your symptoms should not be related to existing medical conditions, specific activity, or other known causes. Pay attention to symptoms like a cough that are new or worsening, recent decreases in sense of smell or taste, new muscle aches, or new onset of fatigue.*

If Vaccinated:  
Symptoms may present as much milder, such as minor seasonal allergies

Negative Test

Return to Campus

Healthcare provider decides return date

Positive Test

Must Log Using DawgCheck

Isolate at Home

10 days from onset of symptoms and contact a healthcare provider as needed

Calculate days: <https://dawgcheck.uga.edu/covid19-calculator/>

Return to Campus

Only if all are true:

- after 10 days from onset of symptoms
- no fever for 24 hours (without fever-reducing medication)
- symptoms are improved

# Employee **Exposed** to COVID-19 Positive Individual

The CDC defines presumptive exposure as being within six feet of someone for at least 15 cumulative minutes within 24 hours (whether or not wearing a mask)
